Name S.T.

TOEIC score: 295

Monologue

I will tell about S.T., um (3.2) I I I um: um: uh I I I was not () eto↓ about I I I **I was in track** and field club club for for junior high and high school. Um: ↓ (11.4) I ↑ like to running. Uhm. (.) eto and (.) um I like **computer** (7.2) eh: (4.4) using PC [[]] hmm it is (wonderful) I think () it is (sniffle) wonderful for me to use PC. Eh: (Japanese).

Dialogue

Interviewer: So have you made any new friends here at the university?

S: I (sniffle) two- two- eh three friends three new friends. Eh Um Hmm (3.6) Mm I I I want to more frie- make more friends. (10.5) Eh it is difficult for me to to make for me to make new friends, I want to try many friends.

Interviewer: Tell me about your family.

S: Eh, eh: ah: eh my father (.) my father **work work** uh, hm in () corporation. (carpetento) my father work (carpeting); my mother, my mother **is programmer**. Hm. (.) she **she work** at my house. (.) Um. She **is gasoline stand programmer**, my my my little **sister is high school** student. Uhm: uh

Interviewer: What is your major and why did you choose it?

S: What?

Interviewer: What is your major area of study?

S: Area of study. ↓ Study.

Interviewer: Are you electrical engineer? Chemical engineer?

(15.4)

S: Ah It eh↓ is (9.5) um ↓

(11.7)

Interviewer: What do what are you studying?

S: Studying? Ah eh um: It is difficult for me to study **in to (1.8) study**, eh, study↓.

Interviewer: No, I mean, are you a mechanical engineer, electrical engineer? What kind of engineer are you?

(4.8)

S: I I I don't understand, uhm engineering? Abouto I want to know know (2.9) uhm: programming (18.1) I try to um (8.0) try to study programming.
